

MONTANA UNIVERSITY SYSTEM HONOR SCHOLARSHIP

Only students who apply will be considered for the MUSHS

What is the MUSHS?

The MUS Honor Scholarship is a 4-year renewable scholarship, which waives the recipient's tuition when used at an eligible campus. Its average value at a 4-year Montana campus is \$4,000 a year or \$16,000 for four years. The MUS Student Financial Services office offers up to 200 scholarships (contingent upon continued funding of the program) annually.

The scholarship does not cover mandatory or class fees. Students should ask their college for a list of fees that are not covered by the scholarship.

How are the scholarships awarded?

Students from each high school will be ranked in GPA order. The individual(s) with the highest GPA will be awarded 30 points, the next highest GPA will be given 29, and so forth, until all students with at least a 3.4 GPA are ranked. Once the GPA score has been determined, this score will be added to the student's ACT or SAT* score, whichever is higher, to create a composite score. The students with the highest composite scores in the state will be offered an MUS Honor Scholarship.

*SAT scores are converted to equivalent ACT scores
