APPLICATION PROCESS:
Students MUST Register online at www.mus.edu/scholarships

1. Read the scholarship information to determine eligibility
2. The application will be posted online by May 15th, 2015
3. Complete the online process
4. Once complete, the last step is to print the application
5. The application must accompany the additional required materials; college acceptance letter and 7th semester transcript (Must include all courses completed in high school, freshman through the 7th semester of your senior year)
6. SIGN and MAIL the application and additional required materials by the deadline
7. Packets MUST be complete and postmarked by JULY 15th, 2015

Eligibility requirements to receive $1,000 for the first academic year at a qualifying campus:
• Must be a high school senior and a resident of the state of Montana
• Must graduate from a Montana accredited high school with a cumulative 3.25 GPA (calculated as of 7th semester)
• Must complete 4 years of college prep math and 3 years of college prep science while in high school (must be included on high school transcript)
• Must apply to and be accepted by one of the eligible campuses
• Must be seeking a first certificate, or 2-year, or 4-year degree
• Must declare a STEM or Healthcare major (the list may be found by visiting www.mus.edu/scholarships)
• Must enroll in and complete at least 15 credits each semester at a qualifying institution
• Must begin using next chronological semester following graduation (excluding summer)
• Must maintain a 3.0 cumulative GPA while utilizing this scholarship
• If a male, must meet the Title IV selective service requirements
• Must not owe a refund to a federal Title IV or state of Montana student financial aid program
• Must not be in default on a federal Title IV or state of Montana education loan
• Must not be incarcerated
• In the event funding for this program is not sufficient to fund every qualifying applicant, qualified recipients seeking renewal of their scholarships will have priority for available funds. If funds remain after renewals are awarded, new applicants will be chosen randomly until the funds are exhausted.

Renewal requirements to receive $2,000 for the second academic year at a qualifying campus:
• Must continue to pursue a STEM or Healthcare major
• Must have completed 30 credits during the first academic year (at least 15 credits per semester)
• Must enroll in and complete at least 15 credits each semester during the second academic year
• Must maintain a cumulative 3.0 GPA while utilizing this scholarship
• Students do not need to apply the second year, renewal requirements will be confirmed automatically
• Renewals are contingent upon continued funding for this program

Application packets and additional materials must be POSTMARKED BY JULY 15th
Incomplete or late application packets will NOT be accepted
