

Dawson Community College
Mandatory Meal Plan
May 2008

Dawson Community College respectfully requests Board of Regent's approval to implement a \$600 per term mandatory meal plan for students living in campus housing. The meal plan includes breakfast and noon meals, Monday through Friday at a cost of approximately \$7.50 per day. The Plan would give the student the freedom to bring guests, purchase snacks, beverages, or meals anytime the food service is open. Each dormitory apartment is a self-contained unit with two bedrooms, a living room and a full kitchen. Students are responsible for preparing their meals in evenings and on weekends.
