THAT: The Board of Regents of Higher Education revises Policy 301.16, Writing Proficiency.

EXPLANATION: In the fall of 2008, the commissioner of higher education initiated a comprehensive board of regents' policy review. This review is intended to bring our policies current, remove outdated references and provisions, ensure consistency among policies, and correct errors in formatting, numbering and text. Policies requiring substantive changes will be presented to the board over the course of the next year.

Policy 301.16, Writing Proficiency, had a phased-in implementation; provisions no longer relevant have been removed. Other provisions have been reformatted.
