ITEM 172-2002-R0916

Request for authorization to construct, maintain, repair and replace new and existing parking, street and access facilities

THAT

Consistent with the provisions of MCA-18-2-102 (2)(b), the Board of Regents of Higher Education authorizes Montana State University to construct, maintain, repair and replace new and existing parking, street and access facilities at MSU. This request is for a total of \$2,500,000.

EXPLANATION

1. Various projects will be undertaken to construct, maintain, repair, and replace new and existing parking, street, and access facilities at Montana State University campus. These project will improve parking, street and access facilities for students, faculty, staff, and visitors.
 2. These projects will be financed with combination of non-state funds from Auxiliary Operations Revenues (Renewal and Replacement Budget) and/or non-state Parking System Revenues, in excess of debt service obligations.
