

# Perkins State Plan Update

Jacque Treaster

Director of Dual Enrollment and Career & Technical Education

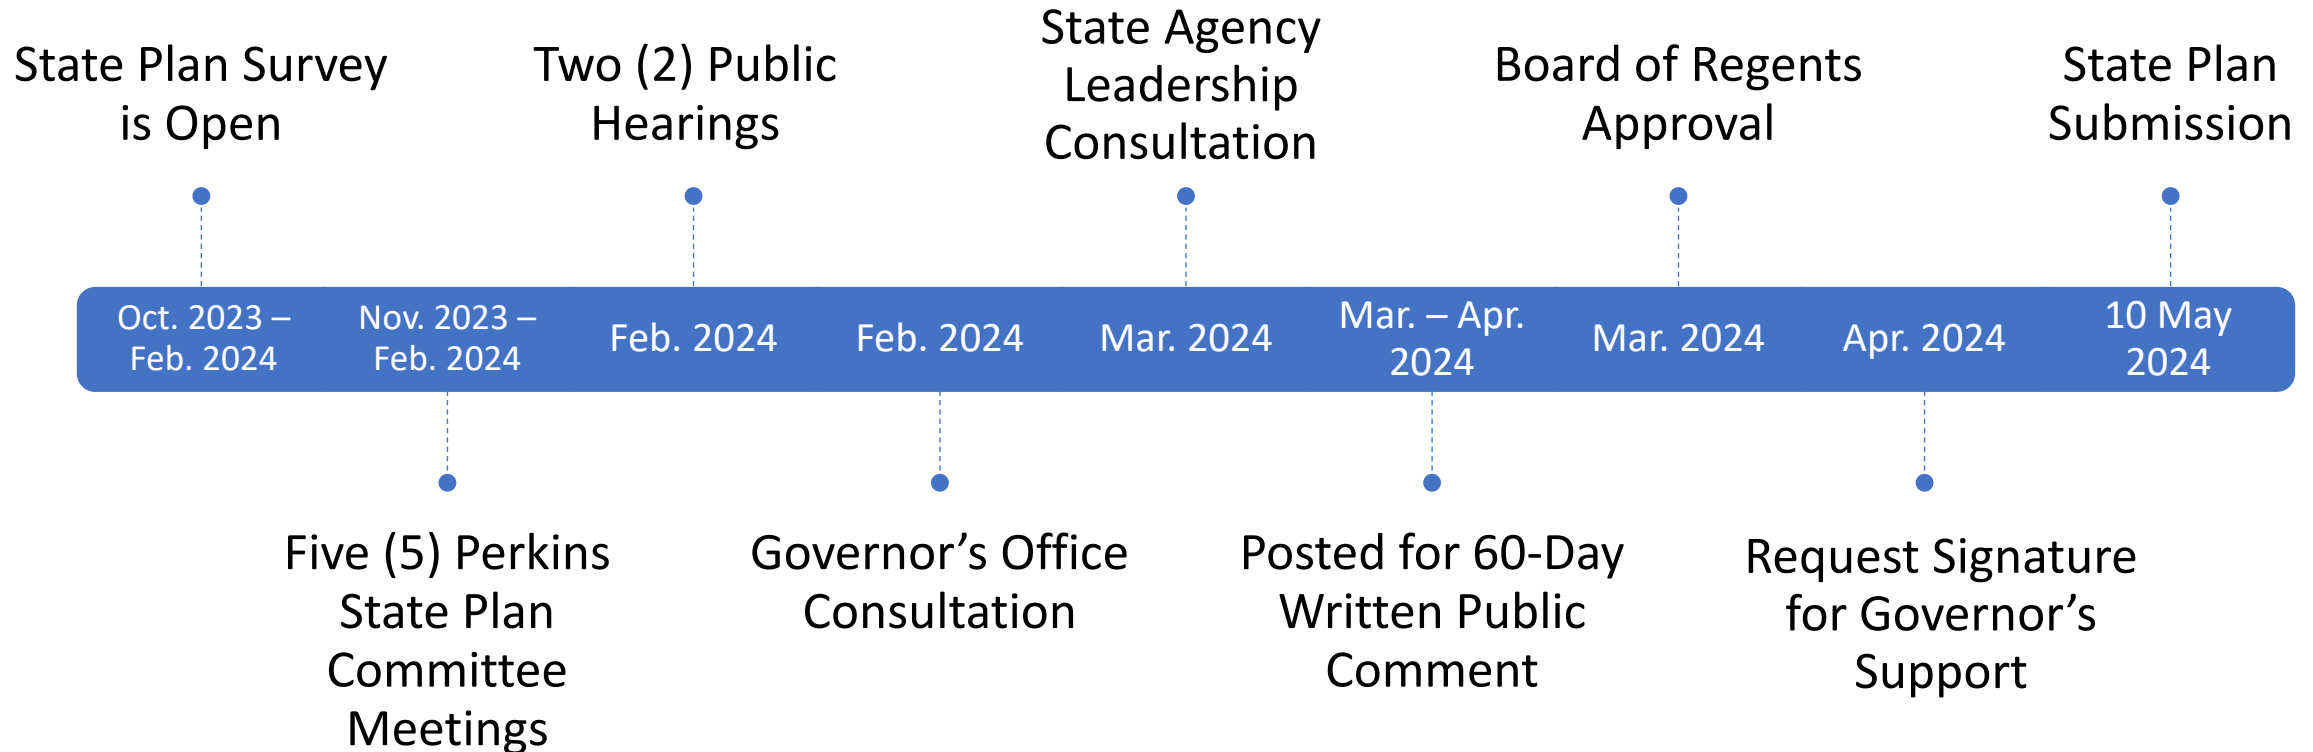

# Perkins State Plan – Why it Matters

---

- Sets the State’s Vision for Education and Workforce Development
- Describes how OCHE and OPI implement Career and Technical Education Programs
- Establishes strategies on meeting the Needs of Special Populations
- Describes how Montana is preparing and supporting CTE Teachers and Faculty
- Defines the processes and procedures for Fiscal Responsibility of the Perkins grant
- Establishes Accountability for Results – how will Montana evaluate success?

# State Plan Timeline

# Perkins State Plan Committee

## Membership

- **Paddy Fleming**, Director Montana Manufacturing Extension Center

Montana's  
Updated  
Statewide  
Vision

**Montana's CTE programs will create opportunities for all students to become educated, highly skilled, and well-rounded individuals who can meet the economic and workforce needs of our state.**

# Highlights and Significant Updates

- **Three performance indicator definitions have been updated, including Earned Recognized Postsecondary Credential, Attained Postsecondary Credits, and Participation in Work-based Learning**
- **Increased funds allocated for State institutions**
- **Increased funds allocated to support statewide career exploration activities for students in middle school**
- **Focus on strengthening secondary and postsecondary collaboration**
  - **Industry and Industry Association Partnerships**
  - **Innovations in technology with an emphasis on distance learning options and hybrid learning models**
