

## Schedule of Benefits

Dental claims are reimbursed based on a Schedule of Benefits. The following subsets of the Premium and Basic Plan Schedules include the most commonly-used procedure codes. Please note, the Basic Plan provides coverage for a limited range of services including diagnostic, preventive, and extractions of impacted teeth. The Schedule dollar amount is the maximum reimbursement for the specified procedure code. Covered individuals are responsible for the difference (if any) between the provider's charge and the Schedule reimbursement amount.

### MUS Schedule of Benefits
