Project 1

Project 1 Title
Pathways Coordinator

Project 1 Begin Quarter
Q 1

Project 1 End Quarter
Q 4

1. Must include (1) a specific description of project activities and (2) clear project budget details demonstrating math. Budget details MUST match budget template line items.

MCP Coordinator will serve as 1.0 FTE Grant employee and fulfill all grant obligations, while continuing her work as the Dual Enrollment Coordinator. Taking under consideration the Dual Enrollment Coordinator's proactive approach towards Pathways, DCC has identified that 1.0 FTE is already an adequate amount of time to set aside on carrying out the new pathways projects proposed in the grant.

The 1.0 FTE position will focus on furthering the partnerships between the area high schools and the college by providing dual credit opportunities:

• Collaborate with high school administrators and staff, College administration, High School Career counselors, Institutional Advancement, Institutional Effectiveness, Testing Coordinator, the Enrollment Office, and the College’s lead program faculty to grow the DE Program, ensure its quality, and increase the number of public and private high school students and home-schooled students enrolled in DCC courses and programs
• Develop and implement a timeline and process for all tasks related to DE recruitment, enrollment, retention, and reporting – including dual enrollment application, testing, registration, and enrollment roster due dates
• Prepare marketing communications to DE instructors and other stakeholders, outline dual enrollment procedures, calendar of dates and deadlines, and procedures for checking class rosters and entering grades
• Review local high school Programs of Study to ensure accuracy in presentation of College programs, courses, and career pathways
• Develop and implement an orientation program, handbook, and other resources for high school and adjunct faculty teaching DE courses
• Develop and maintain an archive of course syllabi for DE classes
• Coordinate and facilitate trainings for secondary school staff

• Develop and implement an informational tour program for secondary teachers to introduce/reintroduce teachers to our college’s facilities and programs

• Develop a presence at the Montana Teachers conference to strengthen ties with secondary partners in the classroom.

• Manage an established budget

• Organize and CTE Career Events at DCC

Notes (Reviewer Only)

1 - Expected Measurable Outcome(s)*

Dual Credit partnership opportunities with at least two new high schools

Create 4 new dual credit classes

Quarterly Visits with each high school in our service area and geographically nearby schools with “no service area” including Glasgow HS.

Notes (Reviewer Only)

1 - How does this project advance the use of technology in CTE?

As DCC has the opportunity to meet with students and discuss career pathways in CTE pathways, the pathway coordinator will learn about new technologies in career fields as well as share those technologies with high school students and counselors.

Notes (Reviewer Only)

1 - What secondary partnerships, dual enrollment and/or Montana Career Pathways activities does this project support?

Agriculture, Food, and Natural Resources Career Pathways, Education Pathways, Welding and Fabrication Career Pathway, Information Technology Career Pathway, Business Management Career Pathway, STEM Pathway; Continue expanding efforts to increase opportunities for Montana high school students to explore and engage in college and careers through Montana Career Pathways, dual enrollment; strengthen state-wide CTE partnerships throughout the state, increase access to high quality CTE programs, foster innovation in CTE programs

Project 2 Title

NACEP Attendance

Project 2 Begin Quarter
Attend the National Alliance of Concurrent Enrollment (NACEP) Conference - online or in-person.

The National Alliance of Concurrent Enrollment Partnerships (NACEP) works to ensure that college courses offered by high school teachers are as rigorous as courses offered on the sponsoring college campus. As the sole accrediting body for concurrent enrollment partnerships, NACEP helps these programs adhere to the highest possible standards, ensuring students with a seamless transition to college as well as benefiting teachers benefit with meaningful, ongoing professional development. To advance the field and support our national network of members, we actively share the latest knowledge about best practices, research, and advocacy. Our annual conference is the premier destination for college officials, high school leaders, policymakers, and researchers interested in creating an effective academic bridge between high school and college.

Notes (Reviewer Only)

2 - Expected Measurable Outcome(s)

Pathways Coordinator and another DCC employee with involvement in dual credit programs will learn best practices to expand Montana Career Pathways and dual credit programs. In addition these DCC employees will return to the institution with valuable materials, resources, networking, technology, and innovative practices that will be implemented at the school and in the dual enrollment program. This will be reflected in and measured by updates in policies, procedures and practices in the dual enrollment program which will improve outcomes for students participating in dual enrollment coursework and instructors participating as dual enrollment partners.

Notes (Reviewer Only)

2 - How does this project advance the use of technology in CTE?

NACEP is focused on advancing quality college courses for high school students - past conference sessions have focused on advancing technology in CTE. DCC attendees will be sure to choose conference sessions that focus on advancing technology in CTE.

Notes (Reviewer Only)

2 - What secondary partnerships, dual enrollment and/or Montana Career Pathways activities does this project support?

Continue expanding efforts to increase opportunities for Montana high school students to explore and engage in college and careers through Montana Career Pathways, dual enrollment.

**Project 3 End Quarter**
- Q4

3 - Project Summary* Must include (1) a specific description of project activities and (2) clear project budget details demonstrating math. Budget details MUST match budget template line items

Over the past years, Dawson Community College has worked to aggressively grow access to dual enrollment with our regional area high schools. During the 2022-2023 academic year, DCC offered almost 40 dual credit classes in various disciplines while continuously increasing enrollment numbers.

This increase is partially credited from regular and consistent high school visits performed throughout the year. The Pathways Coordinator will continue to work closely with the same group to ensure that small schools have knowledge of and access to dual credit courses in the high school. The Pathways Coordinator will perform quarterly visits to the following high schools: DCHS, Terry HS, Savage HS, Sidney HS, Fairview HS, Wibaux HS, Moore HS, Winnett Public School, Glasgow HS, Circle HS, Bainville HS, and Lambert HS.

**Notes (Reviewer Only)**

3 - Expected Measurable Outcomes

Dual enrollment partnerships at regional area high schools will be bolstered by travel to these schools, which will include academic and career advising for students and building understanding among high school instructors and administrators. With this travel, DCC will increase the number and quality of dual enrollment coursework offered to regional area high schools.

**Notes (Reviewer Only)**

3 - How does this project advance the use of technology in CTE?

As DCC partners with local high schools, the opportunity to explore uses for technology in high school classes and at the college can be explored. In addition, the pathways coordinator will be able to see any technology deficits in high schools and hopefully discover ways to advance the use of technology in CTE.

**Notes (Reviewer Only)**

3 - What secondary partnerships, dual enrollment and/or Montana Career Pathways activities does this project support?

All high schools will be invited for bilateral meetings between DCC’s administration and high school administration to discuss dual credit opportunities.
4 - Project Summary* Must include (1) a specific description of project activities and (2) clear project budget details demonstrating math. Budget details MUST match budget template line items

The Pathways Coordinator and/or the Faculty Coordinator or another Faculty member will attend the following State Organization meetings and present information regarding Montana Career Pathways: FCCLA, FFA, HOSA, BPA. We have hosted booths at these state organization in the past with huge success in bringing student awareness on the pathways that each organization represents. As such, we will continue representing Montana Career Pathways to high school students at these events.

These events focus on Montana Career Pathways and Dual Enrollment (not college recruitment)- conversations with partners and participants discuss Dual Enrollment opportunities and Montana Career Pathways.

Notes (Reviewer Only)

4 - Expected Measurable Outcome(s)

150 students will visit our booths at various events to discuss pathways, dual enrollment, and CTE programs

Notes (Reviewer Only)

4 - How does this project advance the use of technology in CTE?

As DCC has the opportunity to meet with students and discuss career pathways in CTE pathways, the pathway coordinator will learn about new technologies in career fields as well as share those technologies with high school students and counselors.

Notes (Reviewer Only)

4 - What secondary partnerships, dual enrollment and/or Montana Career Pathways activities does this project support?

All pathways and partnerships.

Proposed Budget Narrative

00 - Administrative/Indirect Costs

5% of total project funds may be used for indirect and administrative costs. If they will be used, describe the proposed administrative costs in the notes. Include "Project #" with your line item title. For example: "Project 1 - Dental Equipment". These are costs that cannot be assigned to a particular project but are necessary for the operation of the organization and therefore the performance of the project. Example: Administrative staff not directly supporting the project but support the operation of the organization (e.g. legal and finance departments), accounting costs, time spent developing the CLNA in addition to administrative activities include, but are not limited to, grant development, grant monitoring, evaluation of program effectiveness, data input, developing reports, payroll, providing technical assistance, clerical, and accounting duties.

Indirect Costs

Still negotiating final amount

01 - Salaries

List each position as a separate line item. In the notes please provide position title, % of FTE or total annual hours; annual salary, percentage of salary/FTE, and/or per credit rate for stipends. Stipend dollar amounts should have associated rationale example: campus policy. For each requested position provide a justification and describe the responsibilities relating to the accomplishment of specific program objectives. Title (The job title of each staff member working the project), Name (the name, if known, of the staff member filling this position. If the position has yet to be filled use TBD), Annual Salary (The staff member's full annual salary. Must be verifiable through Time and Effort and paystubs), Level of Effort (The level of effort to reflect the overall % of the time the staff member will work exclusively on the project), Months (The number of months the staff member will work on the project, not the to exceed the project performance period), Total (Calculate the cost of each staff member's salary: (Annual salary x level of effort %) / number of months working on the project. Examples: --Alice Bau, Perkins Program Coordinator, annual salary of $50,000 funded at 50% (or .5 FTE) for 12 months for a total of $25,000 --Alex Roper, Program Instructor salary for curriculum development estimated 20 hours at $50/hour (20 hours x $50) and paid as a stipend due to campus policy rate for 12 months for a total of $1000 For example: "Project 1 - Dental Equipment".

MCP Coordinator

Pathways Coordinator position will be funded at 40 hours week at $16/hour
