

ITEM 142-108-R0309 Adoption of Revised Board of Regents Policy 401, Research and Technology Transfer

THAT: The Board of Regents of Higher Education revises Policy 401, Research and Technology Transfer.

EXPLANATION: Policy 401, Research and Technology Transfer, is revised to change the annual reporting date for the Federal Initiatives Report to “no later than the January Board of Regents meeting.” The policy also clarifies that this report must be reviewed by the commissioner of higher education’s office prior to submission to Montana’s federal delegation. Research and technology transfer reports to the commissioner of higher education, previously due in September, have been made due at the January regents’ meeting.
