

ITEM 143-1601-R0509

Approval To Reorganize The Science Department At UMW

THAT:

In accordance with Montana University System Policy, the Board of Regents of Higher Education authorizes The University of Montana-Western to reorganize the science department.

EXPLANATION:

Alter the existing department structure of our science faculty by dividing the current Environmental Sciences Department into a Biology Department and an Earth and Environmental Sciences Department.

ATTACHMENTS:

Level II Request Form, Letter of Support
