**Replace Freight Elevators - University Center; The University of Montana – Missoula**

---

**THAT**

Consistent with the provisions of MCA 18-2-102, the Board of Regents of the Montana University System authorizes The University of Montana to implement steps necessary to replace the freight elevators in the University Center. The cost for this work will not exceed \$550,000. Auxiliary funds will wholly fund this project.

---

**EXPLANATION**

The freight elevators in the University Center are original equipment and need replacement. The maintenance costs and frequency of failures are increasing on these heavily used systems.
