**Revisions to Board of Regents Policy 303.1 – Curriculum Proposals**

---

**THAT**

The Board of Regents approve the revisions to Policy 303.1 – Curriculum Proposals delineated in the attachment to this agenda item.

---

**EXPLANATION**

The primary purpose of the proposed revisions to BOR Policy 303.1 – Curriculum Proposals is to clarify distinctions between certificate programs and Certificate of Applied Science programs. These revisions have been reviewed by the Chief Academic Officers of the campuses of the Montana University System and by the Two-Year Education and Workforce Development Committee of the Leadership Council.
