**Success Agenda (revision)**

---

**THAT**

The Board of The Board of Regents of Higher Education adds to the attached Success Agenda document, as a final section below #9, the words:

10. Faculty & Staff Support

- Provide compensation and professional development adequate for recruiting and retaining the faculty and staff necessary to achieve success
  - Provide faculty and staff a meaningful role in institutional and system decision making
- 

**EXPLANATION**

The Regents approved the attached Success Agenda document in September 2010. The revision proposed above would expressly state the Regents' interests in the recruitment and retention of capable faculty and staff, as well as inclusive decision making.
