BY-LAWS  
OF THE MONTANA BOARD OF REGENTS  
OF HIGHER EDUCATION

**ARTICLE 1. Name**

The legal name of the board is The Board of Regents of Higher Education.

**ARTICLE II. Objectives**

The objectives of the board are to supervise, coordinate, manage and control the Montana university system (MUS) and to supervise and coordinate other public educational institutions assigned by law.

**ARTICLE III. Membership**

The board consists of seven members appointed by the governor and confirmed by the senate. Not more than four may be from one congressional district and not more than four may be affiliated with the same political party. One of the members of the board shall be a student appointed by the governor who is registered full-time at a unit of higher education under jurisdiction of the board. The length of the term of the student member shall be not less than one year and not more than four years. The student membership shall not be subject to the congressional district nor the political party constraint mentioned above. Appointed members' terms are seven years. Vacancies shall be filled for the remainder of the unfilled term.

**ARTICLE IV. Officers**

The officers of the board consist of a chair, vice-chair and secretary. Elections shall be held the first regularly scheduled meeting on or after May 1 of each year and the normal one-year term of an officer elected at this time shall run until the next regularly scheduled election. The chair and vice-chair shall be elected from the appointed membership of the board and shall serve until either the expiration of his/her normal term, resignation or the expiration of his or her term on the board, whichever comes first. An officer shall assume office upon election. In the absence of the chair, the vice-chair will preside. However, the chair may assign any regent to temporarily preside over some specific portion of a meeting. If the office of chair or vice-chair is vacated prior to the expiration of a normal term, the board will hold an election to fill the vacated office. The newly elected officer will serve for the remainder of the term. The commissioner of higher education will serve as secretary to the board.

**ARTICLE V. Meetings**

The board shall meet not less than quarterly. Other (special) meetings may be called by the governor, the chair of the board, the secretary or on the request of four appointed members.

Meetings will be scheduled to maximize regent availability. The commissioner shall notify each regent of regular meetings at least seven (7) days in advance. The commissioner shall notify each regent of additions to the agenda of regular meetings and of specially called meetings at least 48 hours in advance. The campuses and the public shall be notified at the same time as the regents by a means considered by the commissioner to be efficient and effective in providing notice to all parties.

To place an item, or group of items, on the agenda, a member of the board of regents, a campus with the approval of the commissioner, or the commissioner must request the item or items and submit them to the commissioner at least four weeks prior to a meeting. The commissioner and the chair can agree to waive the four-week requirement.

When submitting an item, or group of items, the requestor shall designate the item or items as either action or discussion, information or special; after consultation with the commissioner, the chair shall place all such items on the agenda in the category the chair deems appropriate. An action item, or group of action items, may also be designated consent by the commissioner, with the concurrence of the chair.

When a consent item, or group of consent items, is called up on the agenda for action, if there is no objection, action may be taken without further testimony or discussion.

When an action item, other than a consent item for which no objections has been made, is called up on the agenda, the sponsoring regent, campus, or representative of the commissioner's office shall present the item, the chair will invite comment from citizens, students, faculty, staff, administrators and anyone else in attendance, followed by questions from the regents. The sponsor will then have the right to respond. The item may be acted upon by the regents at that time, or action may be delayed until after other action items have been presented. Items presented may be altered or amended, but not in such a manner as to change the original topic or subject.

At any time during a meeting, including during periods of public input, the chair may place reasonable limits on personal testimony and presentations to the board. Such limits must recognize and respect the right of the public to comment and balance that right with the obligation of the board to complete its business in a timely manner.

**ARTICLE VI. Quorum**

A majority of the appointed members of the board shall constitute a quorum.

**ARTICLE VII. Committees**

All committees shall be appointed by the chair.

Special committees may be appointed from time to time by order of the board.

The commissioner of higher education is an ex-officio, non-voting member of all committees.
