**New Regents Policy on International Travel Safety Requirements and System**

---

**THAT**

While the Regents' recognize the academic importance of providing and expanding international travel, they want to ensure that the risks associated with international travel are balanced against the value of the travel.

---

**EXPLANATION**

The new policy outlines the Montana University System's minimum administrative requirements that all units and campuses must have in place for faculty, staff and students traveling outside the United States on university business, or if the travel is university organized or sponsored.
