ITEM 164-2012-R0914
Mission Review of Montana State University

THAT

Request authorization for Board of Regents' approval of the Mission Review document for Montana State University.

EXPLANATION

This document serves as a Memorandum of Understanding between the Montana Board of Regents, the Montana University System Office, and Montana State University as a depiction of institutional role, characteristics, and system and statewide contributions. This agreement helps guide the system and the institution in developing strategic directions that build on distinctive strengths and the leadership role that Montana State University contributes to its affiliated campuses and the University System.

The document describes what the university is and what it does. It also gives the university and its campuses an opportunity to highlight areas of excellence.
