**Revision to BOR Policy 401 – Research and Technology Transfer**

---

**THAT**

The Board of Regents adopts revisions to BOR Policy 401 -Research and Technology Transfer.

---

**EXPLANATION**

The proposed revision to BOR Policy 401 clarifies reporting requirements and definitions used to collect expenditures for sponsored activities. In addition, the annual requirement for reporting federal initiatives and research/technology transfer information is amended, directing campuses to submit annual reports directly to the commissioner of higher education.
