Re: **Item 169-103-R1115**

I recommend approval of the FY 2016-17 labor agreement between the Montana University System and the Montana Public Employees Association covering certain classified staff at campuses throughout the Montana University System (except for Montana State University Northern, where classified staff are represented by the American Federation of State, County and Municipal Employees).

The material economic component of this labor agreement is a wage increase of 50 cents per hour effective in January 2016 and January 2017.
