Request for Authorization to Approve Revised Vision and Mission Statements

THAT

The Montana Board of Regents grants approval of new vision and mission statements for Great Falls College Montana State University.

EXPLANATION

Great Falls College MSU's current Vision Statement is:

In the next decade, Great Falls College MSU will play a leading role in transforming the lives of our students, their communities, and the economic prosperity of Montana by responding to learner and community needs through the use of partnerships, innovation, outreach, and technology.

Great Falls College MSU's current Mission Statement is:

Our Mission is to foster the success of our students and their communities through innovative, flexible learning opportunities for people of all ages, backgrounds, and aspirations resulting in self-fulfillment and competitiveness in an increasingly global society.

In an effort to more precisely reflect the College's emphasis on student success, Great Falls College MSU has engaged in a campus-wide effort to restate our Vision and Mission Statements, as well as new Core Themes and Indicators supporting the Mission Statement. The result of that process follows.

Revised Vision Statement: *The vision of GFC MSU is to strengthen communities through excellence, innovation, and collaboration.*

Revised Mission Statement: *The mission of GFC MSU is to educate and inspire you.*
