ITEM 174-103-R0317

Revised BOR Policy 1004.1 – Naming of property, programs and interior spaces.

THAT

That the Board of Regents review and consider adoption of the revised naming policy drafted after the board and staff working group revised the policy.

EXPLANATION

This draft of BOR policy 1004.1 has been updated since the January 12, 2017 board conference call meeting where it was on the agenda. After the January meeting more comments by the campus foundations & campus staff were received and discussed.

Areas addressed with particularity in the revisions concern: (1) defining the term of a gift with specificity; (2) a waiting period before naming property after current public employees or statewide political candidates/office holders; (3) ensuring public notice/public participation; (4) delineating campus responsibilities
