**Revision to Board Policy 780 – Regents Award for Excellence in University System Citizenship**

---

**THAT**

The Board of Regents revises Policy 780 so that this award will normally be presented at the board's May meeting.

---

**EXPLANATION**

The policy currently says the award will normally be presented at the board's June-July meeting. The board's May meeting is more accessible for campus Staff Senate leaders from a scheduling perspective and therefore is better suited for this occasion.
