ITEM 185-2002-R1119

Request for authorization for the appointment of Regents Professor Dr. Phil Stewart, Montana State University

THAT

The Board of Regents authorizes the appointment of Dr. Phil Stewart, professor of chemical and biological engineering at Montana State University to the rank of Regents Professor in recognition of Dr. Stewart's remarkable contributions and exemplary service to our great State and to Montana State University as an internationally recognized scholar, teacher and academic leader who uses his passion for science and learning to inspire and encourage others.

EXPLANATION

Board of Regents Policy 702.6 provides for the rank of Regents Professor to be awarded to a faculty member at the discretion of the Board of Regents upon the recommendation of the Commissioner of Higher Education or one of the Presidents or Chancellors. The faculty member must have demonstrated exemplary performance in teaching, research, or creative activity and public service. This is a rare honor.
