

Strategic Initiatives

Resident Student Access

Develop a unified approach to resident student recruitment, admissions, and financial aid, with the goal of increasing the percentage of MT high school graduates attending the MUS

Action Steps →

Goal #1: Access & Affordability

- Launch the MUS Central Application
- Develop a fully functioning Portal
- Expand outreach to high school students

Workforce Development

Launch new workforce training programs that track the high-demand, high-skill, and high-wage sectors that are most likely to expand in Montana throughout the next decade.

Action Steps →

Goal #2: Workforce & Economic Development

- Utilize new workforce training analysis tool
- Invest in equipment, technology, and instructional space
- Expand student training alternatives & modalities

Healthy MUS

Employ strategies to ensure a healthy and successful on-campus experience for all students, as well as improve access and the quality of remote learning opportunities

Action Steps →

Goal #3: Efficiency & Effectiveness

- Monitor, trace, and prevent the spread of Covid-19
- Provide testing services as needed
- Expand remote access capabilities
- Improve on-line learning environments
