**THAT**

The Montana Board of Regents grants approval of a new mission statement for Montana Technological University

---

**EXPLANATION**

Montana Technological University has recently completed a strategic planning process. Part of this process was the creation of a new mission statement. This new strategic plan and mission statement reflect the Special Focus designation of Montana Tech and meeting its goals of: Student Success, Programs of Distinction, and A Healthy and Vibrant Campus Ecosystem.

**Current Mission Statement is:**

Montana Tech, through exemplary undergraduate and graduate education, workforce development, research, and service, builds on a strong heritage in engineering, science and technology that blends theory with practice in meeting the changing needs of society and the responsible development and use of natural resources.

**Revised Mission Statement**

As Montana's Special Focus Institution, Montana Technological University provides a transformative student experience by developing leaders and advancing science, engineering, and technology, with the purpose of benefiting humanity while meeting the changing needs of society.
