ITEM 218-103-R0525

Request for Authorization and Approval to Proceed with Major Repair Projects Authorized by the 69th Legislative Session

THAT

The Board of Regents authorizes and approves the Major Repair Projects included in House Bill 5 as authorized by the 69th (2025) Montana Legislative Session.

This item is consistent with the Board's authority to manage the Montana University System in accordance with Board of Regents Policy 1003.7.

EXPLANATION

1. Major Repair projects include renovation, alteration, replacement, or repair projects with a total cost of less than \$2.5 million per project
2. The 69th Montana Legislature authorized \$24,655,000 in Major Repair Projects for a total of 22 projects across the campuses and agencies of the MUS
3. Capital Development Projects include renovation, construction, alteration, site, or utility projects with a total cost of over \$2.5 million or a new facility with a construction cost of over \$250,000. House Bill 5 included eight Capital Development Projects with total funding of \$65,930,000. These projects will be presented to the Board of Regents as individual projects when they begin the planning and design process.
4. Authority Ony Projects with totaling \$140,100,000 were also authorized. This includes twelve projects and General Spending Authority awarded to the Montana University System. These projects will be presented to the Board of Regents as individual projects when they begin the planning and design process.
