# Seamless System Potential

The screenshot shows the CourseShare website for the Montana University System. The header includes the Montana University System logo and navigation links for FAQs and Log In. The main content area features a large banner with the text "Want to graduate faster? Find a class." and "Access high quality, transferrable coursework that will help you meet your goals. Courses available for Summer and Fall 2025!". Below the banner is a search form with three sections: "YOUR INSTITUTION" with radio buttons for "I don't have a home institution" and "I have a home institution" (the latter is selected), and a dropdown menu to "Select your home institution"; "SEARCH BY" with radio buttons for "Keyword" and "Subject"; and a text input field with the placeholder "Please select an institution and search type to find classes." To the right of these fields is an orange button labeled "Find Classes".
