RE: Campus Report for the May 2025 Board of Regents Meeting

Helena College's next **Director of Nursing is Sevda Raghieb, RN, BSN, MSN, MA**. Sevda comes to us with over 30 years of experience in nursing, including nursing education and leadership, most recently at St. Peter's Health. Our current Director, Deb Rapaport, RN, BSN, MSN, is retiring at the end of June. Helena College owes Deb a huge thank you for several years of excellent service to Helena College and the Nursing Department, first as an instructor and then as Director.

The **Helena College Art Showcase** exhibit features work by our students, faculty, staff, and alumni. The Awards Reception was held on April 12 in the Donaldson Student Center.

The [Helena College Capstone Exhibition](#) was held at the Holter Museum of Art in April. Our graduating art students have their capstone projects on display through May 4th—an exciting milestone as they step into the professional art world.

This exhibition showcases faculty artists from Montana Colleges, with **Seth Roby, Jules Schoebel, Doug Turman, and Muriel Condon** representing Helena College.

Helena College's **first Cosmetology cohort** is graduating! A pinning ceremony was held at Helena College in May to celebrate the achievements of its graduates.
