ACTION | 01:24:59

- a. Long-Range Building Program (LRBP) Request, 2029 Biennium; OCHE/MUS ITEM 223-101-R0326 | Attachment #1: Consolidated List | Attachment #2: Major Maintenance, UM | Attachment #3: Major Maintenance, MSU

Dan Stevenson, MUS Director of Facilities Planning, presented the major Repair and Capital Development Long Range Building Program Priorities that will be presented to the 70th Legislative Session. He said that the Budget Committee had approved these lists.

- b. Request for Authorization to Plan and Design a New Art Building; MSU Billings ITEM 223-2702-R0326 | Attachment #1

Director Stevenson presented the request for authorization for MSU Billings to spend up to \$1.6M to plan and design a new Art Building. MSU Billings received legislative authority-only of \$1.3M from the 69th Legislative Session for a new Art Building. The University has successfully fundraised \$3.2M towards funding for the \$13.4M building. A new academic facility will improve the student learning environment by supporting more interdisciplinary collaboration between multiple academic departments and will improve access for students utilizing faculty and student support services.

Director Stevenson said MSU Billings will request future authority for construction once planning and design are substantially complete to provide estimated construction costs. The proposed work will be paid for with private funds.

- c. Request for Authorization to Complete Instructional Space Renovations; MSU Bozeman ITEM 223-2004-R0326 | Attachment #1

Director Stevenson presented the request for MSU to spend up to \$4M to complete instructional space renovations. MSU received \$4M of legislative authority-only in House Bill 5 from the 69th Legislature to improve instructional spaces within multiple buildings on campus. The project will modernize approximately 10-15 classrooms and instructional lab spaces in up to six different academic buildings. The work will be paid for using project plant funds with student building fees. Discussion followed.

- d. Request for Authorization to Make Necessary Repairs, Renovations and ADA Improvements to the Plew Building; MSU Bozeman ITEM 223-2003-R0326 | Attachment #1

Director Stevenson presented the request for MSU to spend up to \$2M on improvements to the Plew Building. The facility was constructed prior to ADA requirements and does not have ADA access or services that include compatible restrooms. The project will address ADA improvements, associated renovations and necessary repairs that will increase space utilization

rates and better align with current MSU space standards. The work will be paid from MSU's deferred maintenance reserves. Discussion followed.

INFORMATION | 01:43:28

a. Performance Funding Allocations, FY27

Tyler Trevor, Deputy Commissioner for Budget and Planning, introduced Margaret Wallace, Director of Budget and Administration, and Eric Meredith, Director of Institutional Analysis. He presented the metrics used to allocate funds to each campus. He said there are opportunities for campuses that fall short of targets to participate in system initiatives. He reviewed the performance funding dashboard and shared the FY 2027 Performance Funding Allocation summary. Discussion followed.

Interim Deputy Commissioner Thiel reviewed three academic review items. Discussion followed.

Strategic Priority Items:

- d. AIMA

Angela McLean, Director of American Indian/Minority Achievement and K-12 Partnerships, reviewed the AIMA Council's advisory mandate regarding American Indian student success. She briefed the Board on the unique partnership between the MUS and the seven independent Tribal colleges located on Montana's reservations.

Data shared during the presentation indicated that MUS enrollment and retention rates for American Indian students currently exceed national averages. Director McLean said these results reflect a high level of system engagement but emphasized that the Council is committed to surpassing these benchmarks. She noted that the System will not rest on current achievements; rather, it is utilizing this momentum to take student success initiatives to the next level. Key upcoming actions include the implementation of Tuition Waiver changes and the integration of Indian Education for All into the Canvas platform to further accelerate growth. Discussion followed.

e. Mental Health and Wellbeing Taskforce

Crystine Miller, Director of Student Affairs, Kerry Davant, Executive Director of HR, and Betsy Asserson, MSU Associate Vice President of Student Wellness, presented a systemwide Mental Health & Wellbeing Action Plan, developed over the past year through data gathering, campus stakeholder input, and task force planning, with a spring 2026 launch.

They reported that Healthy Minds Study data revealed significant mental health and wellbeing needs for students and faculty across the system. The plan presented three core goals including: integrating mental health into campus culture using a public health approach to foster campus-wide mental health and wellbeing; promoting student success through evidence-based mental health and suicide prevention practices; and enhancing employee wellbeing by amplifying access to supports and services. Near-term implementation steps include launching the action plan with a task force, hosting a systemwide mental health summit in Fall 2026, rolling out a public health education campaign, and procuring systemwide suicide prevention training for all MUS students, faculty, and staff. Discussion followed.

f. MUS Centers and Institutes Overview

Interim Deputy Commissioner Thiel reviewed the purpose behind research centers and institutes.

MSU Vice President for Research and Economic Development, Dr. Alison Harmon, and UM Vice President for Research and Creative Scholarship, Scott Whittenburg, shared a presentation highlighting the wide-reaching benefits of research centers.

Interim Deputy Commissioner Thiel explained the difference between centers and institutes.

Dr. Harmon reported on the research centers and institutes at MSU and shared the tracking of startup and spin out companies and how they contribute to research expenditures.

Vice President Whittenburg discussed research centers and institutes at UM, highlighting a few current research projects, startup and spin out companies, and the impact on research expenditures.

Deputy Commissioner Thiel shared how research centers and institutes are funded. Discussion followed.

INFORMATION | 04:53:12

a. Single Admissions File | Attachment #1

Angela DeWolf King, Director of Transfer and Special Projects, presented proposed changes to MUS Policy 301.5.4, the Single Admissions File. Director King said that the three main changes to the policy included: 1) migration of the document to an online format; 2) removal of the fee for students; and 3) clarity of what information would be shared through the file. The proposed changes are expected to be included on the May agenda as an action item.

b. Credit for Prior Learning Update

Chase Stahl, CTE Data Specialist, and Jacque Treaster, Director of Dual Enrollment and Career & Technical Education provided the Credit for Prior Learning update. Stahl said roughly 21% of the overall undergraduate student population since 2016 has Credit-for-Prior-Learning (CPL) credits, with about 90% of CPL credits coming from International Baccalaureate (IB) or Advanced Placement (AP). For in-state recent HS graduates, about 18% of the incoming class has AP or IB credits for the 2024-25 academic year, compared to 31% for out-of-state students. He said that less than 20% of veteran students have CPL credits from their military trainings indicated on their Joint Services Transcript. Institutions across the MUS are working to bring greater consistency to non-AP/IB CPL credits. Stahl said OCHE is working with the common course numbering faculty committees to incorporate system-wide equivalencies for CPL with military experiences and common industry-recognized credentials.

c. University of Montana Western Career Exploration Spotlight

Ryann Gibson, UM Western Dual Enrollment & Workforce Program Manager, reported on the components and outcome goals of the Career Exploration program. She shared details about the Future Now Expo geared towards high school sophomores in Beaverhead County and the surrounding areas. She gave a mobile lab update and shared the opportunities it will provide to students. Discussion followed.
