**Tuition**

A twelve percent increase in tuition was approved by the Board May 2003

**Computer Fee**

This fee will increase three percent and also increase seven dollars to provide email to all students. The email fee will provide a means of communication with the students as well as virus scanning software. The email account will provide secure access.

MONTANA STATE UNIVERSITY - GREAT FALLS  
 COLLEGE OF TECHNOLOGY  
 FEES PROPOSAL FY 05  
 Based on Full-Time Equivalent Student

Description of Fee		FY '04 \$Fee	FY '05 \$Fee	% chg	Discussion
Course and Program Fees					
	Challenge Test Fee	10.00	20.00	100.00%	Fee changed from \$50 in FY 02; \$10 doesn't cover need
	Credit Card Fee epayment	-	10.00	100.00%	Fee to be charged for amounts over \$800

**Challenge Fee**

Last year we reduced this fee from \$50 to \$10 and find it doesn't compensate for the required testing

**Credit Card Fee**

This is a new fee to be assessed for e-payments of \$800. This fee will help to allow these type payments, much as students expect from private industry.
