SUBJECT: ACADEMIC AFFAIRS
Policy 301.1 – Admission Requirements for Undergraduates into Four-year University Programs
Adopted: October 28, 1977; Revised: November 18, 2016; Revised: April 16, 2020

I. Full Admission. To be fully admitted as first-time, full-time undergraduates (without conditions or provisions), students must meet the following requirements:

A. Completion of the Regents’ College Preparatory Program:
   1. Four years of English: in each year the content of the courses should have an emphasis upon the development of written and oral communication skills and study of literature.
   2. Three years of mathematics including Algebra I, geometry and Algebra II (or the sequential content equivalent of these courses). Students are encouraged to take a math course in their senior year.
   3. Three years of social studies which shall include global studies (such as world history or world geography); American history; and government, economics, Indian history or other third year courses.
   4. Two years of laboratory science: one year must be earth science, biology, chemistry, or physics; the other year can be one of those sciences or another approved college preparatory laboratory science.
   5. Two years chosen from the following:
      (a) foreign language (preferably two years)
      (b) computer science
      (c) visual and performing arts, or
      (d) career/technical education units which meet the office of public instruction guidelines.

B. Demonstration of Mathematics Proficiency:
   1. A score of 22 or above on ACT mathematics; or
   2. A score of 27.5 or above on SAT mathematics test; or
   3. A score of 3 or above on the AP calculus AB or BC subject examination or a score of 4 on the IB calculus test; or
   4. A score of 50 or above on the CLEP subject examinations in selected topics [college algebra, college algebra-trigonometry, pre-calculus, calculus, or trigonometry]; or
   5. Completion of a rigorous high school core including four years of mathematics in high school (Algebra I, Algebra II, geometry & a course beyond Algebra II) and three years of laboratory science; or three years of mathematics including a course beyond Algebra II and four years of laboratory science, in addition to English, social studies, and electives as described in the regents’ college preparatory program, with grades of C or better in all courses. (See Appendix I.)

C. Demonstration of Writing Proficiency:
   1. A score of 7 or above on the writing test or 18 or above on the ELA (weighted composite based on the English, reading, and writing scores) of the optional writing test of the ACT; or
   2. A score of 25 or above on the writing and language test of the SAT; or
   3. A score of 3 or above on the AP English language or English literature examination; or
   4. A score of 4 or above on the IB language A1 exam; or
   5. A score of 50 or above on the (CLEP) subject examinations in composition.

D. General preparation as demonstrated through at least one of the following:
   1. A composite score of at least 20 on the ACT or a score of at least 1050 on the total of mathematics, evidence-based reading, and writing scores on the SAT (Scholastic Aptitude Test) for admission to Montana State University-Northern; or
   2. A composite score of at least 22 on the ACT or a score of at least 1120 on the total of mathematics, evidence-based reading, and writing scores on the SAT, for admission to Montana State University-
Billings, Montana Tech of The University of Montana, Montana State University-Bozeman, The University of Montana-Missoula, and The University of Montana Western; or
3. A high school grade point average (GPA) of at least 2.5; or
4. A ranking in the upper half of the school's graduating class.

E. Temporary Mathematics and Writing Standards. Effective April 16, 2020 through September 1, 2021, students may demonstrate proficiency in Mathematics and writing as follows:
1. Mathematics:
   a. A cumulative high school GPA of 3.0 or higher; or
   b. A cumulative high school GPA of 2.5 or higher AND an Algebra II course grade of C or better.
2. Writing:
   a. A cumulative high school GPA of 3.0 or higher; or
   b. A cumulative high school GPA of 2.5 or higher AND a course grade of C or better in an 11th grade English course.

II. Provisional Admission: Students who do not demonstrate the ability to meet the mathematics and/or writing proficiency standards may be admitted provisionally to a four-year degree program on any campus of the MUS and without condition to a two year degree program. Operational rules pertaining to provisionally admitted students are:
A. Students must be informed of their admission status by letters that include the following points:
   1. The minimum mathematics and/or writing score(s) required compared to their score(s) that did not satisfy this requirement;
   2. An explanation of what they must do to attain full admission status
   3. Academic support services available to students, such as tutoring centers.
B. Provisionally admitted students must attain full admission status by completing at least one college-level mathematics and college-level composition course with grades of C- or better before completing 32 credits or 3 semesters, whichever comes last.
C. Provisionally admitted students may declare a major.
D. The term “provisional admission” has particular meaning in the Montana University System, under Board of Regents’ Policy. It cannot be used to describe any other admissions status or situation in the System.
E. Provisional admission does not change existing rules within the Montana University System concerning financial scholarship eligibility, satisfactory academic progress, academic probation or suspension rules.

III. Enrollment Management Procedures: Campuses may apply admission review processes that 1) improve the likelihood of student success; 2) encourage rigorous college preparation among applicants; and 3) ensure balanced treatment of all student applications.
A. For applicants who exceed every criterion of undergraduate admissions standards, campuses may establish facilitated admissions procedures, and may identify such students with special privileges, titles, or honors.
B. For applicants whose transcripts and exam scores leave some question about the prospective student’s success, additional documentation (such as essays, letters of recommendation, and/or portfolios) may be required before granting admission.

IV. Exemptions: All students must comply with the admissions requirements set out in Policy 301. Exemptions are used to admit students under special circumstances and must be used judiciously:

A. Exemptions for First-time, Full-time Students: Institutions may exempt up to 15% of first-time, full-time undergraduates from the requirements of this policy, except for Completion of the Regents' College Preparatory Program, for students with special talents, minorities and others who demonstrate special needs.

B. Categorical Exemptions: The following categories of students are also exempt from the requirements of this policy:
   1. non-traditional students (those who do not enter college for a period of at least three years from the date of high school graduation or from the date when they would have graduated from high school),
   2. summer only students, and
   3. part-time students taking seven or fewer college-level semester credits.

C. Procedures Required for Granting Exemptions: Campuses must establish procedures for the admission of applicants who do not meet the minimum requirements set forth in this policy. Such procedures shall include submission of evidence of the ability to do college-level work and shall be subject to approval of the deputy commissioner for academic and student affairs.
