## Guiding Principles

### Planning Process

The Board of Regents is committed to a biennial planning and review process that includes a broad array of University System stakeholders.

At the beginning of each biennium the MUS will hold a comprehensive planning meeting with representatives from MUS constituencies throughout the state. The goal of the meeting is to conduct a biennial review and update to the MUS Strategic Plan, including:

- review of key outcome measures and performance indicators;
- revisions and updates to strategic goals; and
- development and review of strategic initiatives

In order to provide a dynamic and effective strategic plan, the Board of Regents subscribes to the following Guiding Principles for the on-going development and review of the MUS Strategic Plan.

### Accountable

Outcomes and measurements of the strategic goals will be made public and communicated on a regular basis.

### Inclusive

The planning and review process will seek to include a broad array of stakeholders from throughout the state.

### Flexible

The MUS Strategic Plan is intended to be a flexible document that can adapt to the changing environment within higher education and throughout the state/nation.

### Campus Connected

Campus strategic plans will be connected to the broader strategic goals in the MUS Strategic Plan.

### Statewide Focus

The planning process will include a statewide focus on advancing higher education throughout the entire state.

### National Context

National trends and initiatives will be considered throughout the planning process and aid in the development of strategies and initiatives.
